

Volunteer with PNZ

New program launching in 2026

 Pass NetZero

Position Description

We're looking for a proactive volunteer with social media engagement, web design, and/or SEO experience as well as fluency in English. The ideal candidate is comfortable working in autonomy and passionate about climate change mitigation.

Role of Volunteer at Pass NetZero

Volunteers will serve a crucial role in the organization, with potential responsibilities such as:

**Supporting
Organization
Operations**

**Developing
Online Visibility
and Content
Creation**

**Fundraising
and
Partnership
Research**

**Coordinating
Seminars and
Online Classes**

**Building
Relationships
and Networks**

Example Projects & Initiatives

Developing Online Visibility

- Manage social media accounts
- Design and manage website
- Optimize SEO

Fundraising and Research

- Support development of fundraising materials
- Research potential funding partners

Coordinating Classes

- Schedule and coordinate online seminars and classes
- Conduct student outreach for greater engagement

Building Up Networks

- Conduct stakeholder outreach
- Coordinate between partners
- Translate documents to increase accessibility and visibility

Volunteer Benefits

01

A flexible, remote schedule where you can work from anywhere in the world

02

Hands-on experience in nonprofit administration, stakeholder outreach, web design, and SEO optimization

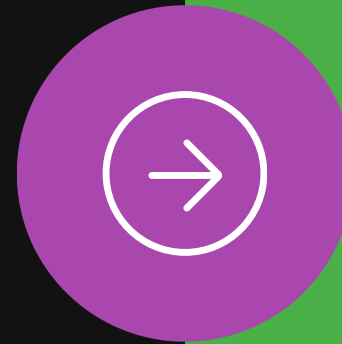

03

Opportunity to make a direct impact in climate change resilience work and grow into a paid position

04

Responsibilities and duties tailored to your availability, interests, and motivation

Ideal Candidates

Skills Required

- English language fluency
- Access to reliable internet for online work
- Ability to work in international and cross-cultural environments

Attitude and Commitment:

- Commitment to organizational goals
- Willingness to learn and adapt
- Autonomous, independent, and proactive

Time Availability:

- Volunteers can be involved full-time or part-time, depending on the level of commitment they're willing to invest
